Profile

A dedicated, self motivated, constantly-improving, full-stack web developer with a passion for design and development with great attention to details. Looking to enter the field to continue advancing my skills and my understanding of the web as well as programming in general. Great at listening and communicating ideas within groups.

EXPERIENCE

- HTML, CSS, JavaScript, and React.
- jQuery & Bootstrap.
- SQL and NoSQL.

EDUCATION

University Of Minnesota, *Coding bootcamp*

June 2022- September 2022

View certification [here](#)

PROJECTS

- **Poke-Slap**— *A full-stack web game.*
